

January 30, 1976

PRESIDENT: Senator Cavanaugh, you have made a request. Is there something before the floor in your request?

SENATOR CAVANAUGH: If you have to make a motion, I will make a motion. The bill is on General File.

PRESIDENT: Yes.

SENATOR CAVANAUGH: How do you get it off General File? How do you get it back to a Committee?

PRESIDENT: Senator Lewis.

SENATOR F. LEWIS: Mr. Chairman, this bill was never referred to Committee. It was simply placed on the Board.

PRESIDENT: I can't see or hear. Mr. Clerk. Mr. Clerk.

SENATOR F. LEWIS: The Rules of the Legislature, as I understand them, if a member objects to a bill being placed on General File without going to a committee hearing, if a member objects, it is then re-referred to a committee for public hearing. Well, Mr. Chairman, I ask that the bill be referred to the appropriate committee, I move.

PRESIDENT: How about asking unanimous consent and see if we get an objection?

SENATOR F. LEWIS: I ask unanimous consent to return LB 756 to the Reference Committee to place in the appropriate committee for purposes of public hearing.

PRESIDENT: Is there an objection? Seeing none, it is so ordered. LB 704.

CLERK: LB 704 introduced by Senator Stoney. Read title. There are Committee amendments by Senator Murphy's Banking, Commerce and Insurance Committee.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: I believe the amendment is to add the emergency clause and I would move the adoption of the amendment.

PRESIDENT: Any further discussion? Do you want to discuss the matter, Senator Murphy, or make your motion?

SENATOR MURPHY: Just a motion, thank you.

PRESIDENT: The question is the adoption. Record your vote. Record.

CLERK: 29 ayes, 0 nays.

PRESIDENT: The Committee amendments are adopted. Senator Murphy, do you want the bill advanced? Oh, excuse me, I am sorry. Senator Stoney.
